Come and GROW at Twin Pines

As we experience the growth of new life following the winter season, it is time to start thinking about summer camp at Twin Pines! The summer of 2013 is shaping up to be an exciting time. One of the focuses of this year's summer camping program is GROWTH. Our desire at Twin Pines is to help campers grow in relationships, knowledge, and skills.

The number one priority at Twin Pines is to introduce campers to the best Friend they will ever meet, Jesus Christ. Whether a camper is meeting Jesus for the first time or is already in a relationship with Him, Twin Pines wants to be a part of that

growth. Twin Pines also desires to foster relationships among campers and summer staff and summer directors as well as friendships among peers. There is ample time built into each program's schedule for campers to spend time with each other doing all of the fun camp activities or just hanging out. Friendships that form at summer camp can last a lifetime.

The summer camping programs also provide opportunities for growth in campers' knowledge of God and His Word and world. Bible studies and role plays along with sessions on applicable topics are a major focus of summer camps at Twin Pines. Team-building activities, games, and outdoor education skills are also part of each program.

In order to provide new and different avenues for growth, Twin Pines is introducing a new experience this summer for high school age campers. In our Sports Conditioning Camp, campers can begin training for fall sports or simply improve physical fitness and grow in their walk with the Lord.

Summer camp at Twin Pines isn't just for kids! For adults we offer a week of fellowship, relaxation, and growth at Adult Camp. Families are welcome to join us for a week of growing together. The directors for Family Camp have invited Rev. Dave Long from Salem E.C. in Lenhartsville, to be the speaker for the adults and to prepare corresponding sessions for the teens and children.

Many favorite summer programs are returning for 2013, including Flyin' High, Dads 'n' Lads, Moms 'n' Gals, Adventure Camp, Martial Arts, Gettin' It Together, On the Edge, and Outpost. The opportunities for growth are endless at Twin Pines!

Come and GROW at Twin Pines

(continued from page 1)

Twin Pines is blessed to be part of the GROWTH of God's kingdom. Last summer, 54 campers made a decision to follow Jesus Christ, and many more seeds were planted in hearts and lives. Check out the 2013 summer camp brochure and find a program that is just right for you or someone you know. A week of camp at Twin Pines could be the first step of a lifetime of growing in Jesus!

Summer Job? Already!?

The summer of 2013 is just around the corner, and here at Twin Pines we are beginning to make plans for summer camp. We are looking for young men and women to come to Twin Pines to be a part of a team that will present the Gospel message to hundreds of summer campers. Working as a part of the Twin Pines summer staff is a life-changing experience and much more than a summer job. We have many varied positions available. We hire counselors, recreational staff, life guards, a craft director, a snack shop manager and kitchen helpers. So if you have ever considered being part of a team that impacts lives for Christ and has the potential to change your life, you may want to consider applying for a position on our summer staff.

If you are interested contact the camp office at 570-629-2411 or email [Shawn Fetterhoff](mailto:Shawn.Fetterhoff@twinpines.org) at shawn@twinpines.org for more information.

Spread the Word!

Researchers have recently completed a study that says 92% of people who receive a recommendation for a product or service from a friend will trust and take the recommendation. This shows that word of mouth advertising is still a powerful tool. Help Twin Pines by recommending the ministry to someone you know! Your recommendation could make the world of difference in the life of a summer camper this year!
