## STAFF AT TWIN PINES

**T**hank you for considering Twin Pines for your family's summer experience. Our new CEO, Tony, has been facilitating camps for the past 25 years; he creates places where families and children can encounter Jesus, develop character, and create memories that last a lifetime. Tony ministered as the Executive Director of a Christian camp in Tennessee for almost 10 years and is a specialist in making camp a safe place for your child to grow in their faith. Tony and his wife, Patrice, have raised their 4 children at camp. Look for their children serving in ministry here at Twin Pines this summer.

Thomas has over a decade of leadership in overnight camping, and even more importantly, he is a husband and the father of a spunky 2 year old! As a parent, he understands the trust needed to leave your child in the hands of another adult. He is excited to meet all the Twin Pines families and campers and get to know you. If you are considering Twin Pines summer camp for the first time, Thomas would love to chat with you!

Our families are looking forward to welcoming you this summer!

# GOD is Stronger

**O**ur God is stronger than anything this world can throw at us. God gives us His joy that we can carry with us all the time. We can be like David, small in stature, but big in the strength of God.

Here's a handy chart so you can see all the different camps run for summer 2026.

Unless otherwise noted in description, all Twin Pines Summer Camps begin with parent drop-off at **4:00-4:45 PM** on Sunday and ends with pick-up at 10:00-10:30 AM on Saturday. Please do not come early to drop-off or pick-up as you will be stopped at the camp entrance until the start time.

# WHY TWIN PINES?

**T**win Pines has been ministering to youth since 1964 here in the beautiful Pocono Mountains.

All aspects of our summer camp programs are planned and supervised by camping professionals trained in youth development and are ministry

focused with a traditional, biblical emphasis. Each camp is managed by our year-round Program Director, Thomas and our CEO Tony. In addition to this, each week of camp is hosted by a Pastor or lay person who has a heart for that

particular age group or ministry and takes on the mantle of "Camp Director" or "Assistant Director". Each camp Host/ Director will bring their particular strengths and fun to each week of camp while ministering under the full time team.

**SOME OF THE ACTIVITIES WE OFFER:** Hiking, Bible study, swimming, field games, crafts, fishing, gaga, nature activities, ping pong, horseshoes, indoor basketball, quoits, worship, disc golf, kayaking, canoeing, hatchet throwing, archery, devotions, and survival.

Appropriate growth activities, recreation, and Bible activities are planned with campers' needs taken into consideration. The registration process for Lotsa Love involves two forms. The Pre-Registration form helps us determine if we are able to meet the camper's needs and if the camper can handle the program. To participate in this experience, campers must be able to clearly communicate their basic needs, feed themselves (chew / swallow), be independent in the bathroom, toilet-trained, and be ambulatory.

When people talk about Twin Pines Camp, Conference and Retreat Center, the conversation inevitably turns to the relationships that are formed at camp. For **more than sixty years**, people have made friends and met spouses at Twin Pines, but more importantly, they have also met and grown closer to Jesus. We are frequently reminded of the ways God has used Twin Pines in the lives of our campers.
