Is there a real God who loves me? Did Jesus really come back to life? Why should I trust a God when life is so messy? These doubts and more are what people have about the Christian faith. The disciple Thomas asked many questions of doubt. How can his questions of doubt and interactions with Jesus guide students today? Winter Thaw's theme of ***Trust in the Midst of Doubt*** will tackle this topic. Join other students to learn how to manage questions and doubts that you may have.
